Announcement of Changes in Publishing Schedule and Rates for The Journal of Immunology

As of January 1, 1986, the following changes will become effective:

The Journal of Immunology will publish twice each month, with 12 issues per volume and two volumes per year.

Subscriptions for domestic members of the American Association of Immunologists will be $75 per year; for foreign members, 875 per year plus postal charges of 855. Nonmember subscriptions for U.S. institutions will be $170 per year; foreign institutions, 8170 plus postal charges of 855. Nonmember personal subscriptions will be $150 per year; nonmember foreign subscriptions will be $150 per year plus postal charges of 855.

Single copies will be 88 each. Foreign postage will be an additional 83 per single copy.

Page charges to authors will be 866 per page.
