### Announcement of Changes in Publishing Schedule and Rates for The Journal of Immunology

- As of January 1, 1986, the following changes will become effective:
  - The Journal of Immunology will publish twice each month, with 12 issues per volume and two volumes per year.
  - Subscriptions for domestic members of the American Association of Immunologists will be $75 per year; for foreign members, $875 per year plus postal charges of $85. Nonmember subscriptions for U.S. institutions will be $170 per year; foreign institutions, $170 plus postal charges of $85. Nonmember personal subscriptions will be $150 per year plus postal charges of $85.
  - Single copies will be $8 each. Foreign postage will be an additional $3 per single copy.
  - Page charges to authors will be $66 per page.

*THE JOURNAL OF IMMUNOLOGY (ISSN 0022-1767) is published monthly by The American Association of Immunologists, 3770 Tansy Street, San Diego, CA 92121. Second class postage paid at Baltimore, MD, and at additional mailing offices. POSTMASTER: Send address changes (Form 3579) to The Journal of Immunology, 428 E. Preston St., Baltimore, MD 21202 Indexed by Current Contents and Index Medicus. Subscription rates: $130 (U.S., foreign); $150 (U.S., foreign); single copy $14 (U.S., foreign). Copyright © 1985 by The American Association of Immunologists.*
