**Announcement of Changes in Publishing Schedule and Rates for The Journal of Immunology**

As of January 1, 1986, the following changes will become effective:

- The Journal of Immunology will publish twice each month, with 12 issues per volume and two volumes per year.
- Subscriptions for domestic members of the American Association of Immunologists will be $875 per year; for foreign members, $875 per year plus postal charges of $855. Nonmember subscriptions for U.S. institutions will be $870 per year; foreign institutions, $870 plus postal charges of $855. Nonmember personal subscriptions will be $850 per year; nonmember personal foreign subscriptions will be $850 per year plus postal charges of $855.
- Single copies will be $88 each. Foreign postage will be an additional $83 per single copy.
- Page charges to authors will be $66 per page.
