### Contents

#### OPINION

**D. B. Murphy**

1543 Commentary on the Genetic Basis for Control of I-J Determinants

#### COMMUNICATIONS

**E. A. Kurt-Jones, J.-M. Kiely, and E. R. Unanue**

1548 Conditions Required for Expression of Membrane IL-1 on B Cells

**W. L. Farrar, F. W. Ruscetti, and H. A. Young**

1551 5-Azacytidine Treatment of a Murine Cytotoxic T Cell Line Alters Interferon-γ Gene Induction by Interleukin 2

**R. Shimonkevitz, J.-C. Cerot-tini, and H. R. MacDonald**

1555 Variable Requirement for Murine Lymphocyte Function-Associated Antigen-1 (LFA-1) in T Cell-Mediated Lysis Depending upon the Tissue Origin of the Target Cells

#### CELLULAR IMMUNOLOGY

**S. Shimada and S. I. Katz**

1558 TNP-Specific Ly-2+ Cytolytic T Cell Clones Preferentially Respond to TNP-Conjugated Epidermal Cells

**K. Handa and S. Herrmann**

1564 Defining Cytolytic T Lymphocyte Recognition of Chemically Modified Self. I. Response to Trinitrophenyl-H-2K

**L. C. Burkly, J. Nikolic, and H. H. Wortis**

1573 T Cell Regulation of Light Chain Expression: Preferential Enhancement of Igγ in a Primary Thymus-Dependent Response Does Not Require Affinity-Based Selection

**L. C. Burkly and H. H. Wortis**

1577 T Cell Regulation of Light Chain Expression: Preferential Enhancement of Igγ Production by T Cells in the Response to DNP

**H.-S. Teh, M. Ho, and W. R. McMaster**

1582 Isolation and Characterization of Novel Suppressor T Cell Clones from Murine Fetal Thymus

**J. G. Monroe, M. Gurish, J. Dambraudkas, M. Slaoui, A. Lowy, and M. I. Greene**

1589 Genetic and Biological Characterization of a T Suppressor Cell Induced by Anti-Idiotype Antibody

**K. Tomonari**

1598 In Vivo Helper Activity of Autoreactive T Cell Clones

*Continued on page 4*

### Announcement of Changes in Publishing Schedule and Rates for The Journal of Immunology

As of January 1, 1986, the following changes will become effective:

The Journal of Immunology will publish twice each month, with 12 issues per volume and two volumes per year.

Subscriptions for domestic members of the American Association of Immunologists will be $75 per year; for foreign members, $85 per year plus postal charges of $85. Nonmember subscriptions for U.S. institutions will be $870 per year; foreign institutions, $870 plus postal charges of $85. Nonmember personal subscriptions will be $150 per year; nonmember personal foreign subscriptions will be $8150 per year plus postal charges of $855.

Single copies will be $8 each. Foreign postage will be an additional $3 per single copy.

Page charges to authors will be $66 per page.

---

THE JOURNAL OF IMMUNOLOGY (ISSN 0022-1767) is published monthly by The American Association of Immunologists, 3770 Tansy Street, San Diego, CA 92121. Second class postage paid at Baltimore, MD and at additional mailing offices. POSTMASTER: Send address changes (Form 3579) to The Journal of Immunology, 420 E. Preston St., Baltimore, MD 21202. Indexed by Current Contents and Index Medicus. Subscription rates $130 ($196 foreign); institutions $150 ($216 foreign); single copy $14 ($17 foreign). Copyright © 1985 by The American Association of Immunologists.
