### Announcement of Changes in Publishing Schedule and Rates for The Journal of Immunology

As of January 1, 1986, the following changes will become effective:

The Journal of Immunology will publish twice each month, with 12 issues per volume and two volumes per year.

Subscriptions for domestic members of the American Association of Immunologists will be $75 per year; for foreign members, $87.50 per year plus postal charges of $5.50. Nonmember subscriptions for U.S. institutions will be $120 per year; foreign institutions, $170 plus postal charges of $5.50. Nonmember personal subscriptions will be $150 per year; nonmember personal foreign subscriptions will be $175 per year plus postal charges of $5.50.

Single copies will be $8 each. Foreign postage will be an additional $3 per single copy.

Page charges to authors will be $66 per page.
