Announcement of Changes in Publishing Schedule and Rates for The Journal of Immunology

As of January 1, 1986, the following changes will become effective:

The Journal of Immunology will publish twice each month, with 12 issues per volume and two volumes per year.

Subscriptions for domestic members of the American Association of Immunologists will be $75 per year; for foreign members, $75 per year plus postal charges of $55. Nonmember subscriptions for U.S. institutions will be $170 per year; foreign institutions, $170 plus postal charges of $55. Nonmember personal subscriptions will be $150 per year; nonmember personal foreign subscriptions will be $150 per year plus postal charges of $55.

Subscriptions for domestic students will be $36 per year; for foreign students, $36 per year plus postal charges of $55.

Single copies will be $8 each. Foreign postage will be an additional $3 per single copy.

Page charges to authors will be $66 per page.

THE JOURNAL OF IMMUNOLOGY (ISSN 0022-1767) is published bimonthly by The American Association of Immunologists, 3770 Tansy Street, San Diego, CA 92121. Second class postage paid at Baltimore, MD and at additional mailing offices. POSTMASTER: Send address changes (Form 3579) to The Journal of Immunology, 428 E. Preston St., Baltimore, MD 21202. Indexed by Current Contents and Index Medicus. Subscription rates: $150 (students: $90, foreign: $225); institutions $170 (students: $90, foreign: $225); single copy $8.00 (students: $5.00, foreign: $11.00). Copyright © 1986 by The American Association of Immunologists.
