**Announcement of Changes in Publishing Schedule and Rates for The Journal of Immunology**

As of January 1, 1986, the following changes will become effective:

- The Journal of Immunology will publish twice each month, with 12 issues per volume and two volumes per year.
- Subscriptions for domestic members of the American Association of Immunologists will be $75 per year; for foreign members, $75 per year plus postal charges of $55. Nonmember subscriptions for U.S. institutions will be $170 per year; foreign institutions, $170 plus postal charges of $55. Nonmember personal subscriptions will be $150 per year; nonmember personal foreign subscriptions will be $150 per year plus postal charges of $55.
- Subscriptions for domestic students will be $36 per year; for foreign students, $36 per year plus postal charges of $55.
- Single copies will be $8 each. Foreign postage will be an additional $3 per single copy.
- Page charges to authors will be $66 per page.
