Assistant to the Editor-in-Chief of The Journal of Immunology

A full or part-time position in the editorial offices of The Journal of Immunology, in Bethesda, MD, will be available on July 1, 1988. The incumbent serves as Assistant-to-the-Editor. Principal duties include the preliminary review of manuscripts submitted for publication, their assignment to referees, and participation in the decision-making process. Doctorate in immunology or extensive experience in immunology research required. Salary negotiable. Send C.V. to Dr. Ethan M. Shevach, The American Association of Immunologists, The Journal of Immunology, 9650 Rockville Pike, Bethesda, MD 20814 or CALL (301)530-7178.
