CORRECTION

A mistake was made in the Table of Contents for the July 1 issue of the *Journal*. The correct title and authors for the first Cutting Edge paper listed as “Cutting Edge: Combined Treatment of TNF- α and IFN- γ Causes Redistribution of Junctional Adhesion Molecule in Human Endothelial Cells” by Ozaki et al. in the Table of Contents should read as follows:

Cutting Edge: Recognition of Gram-Positive Bacterial Cell Wall Components by the Innate Immune System Occurs Via Toll-Like Receptor 2

Atsutoshi Yoshimura, Egil Lien, Robin R. Ingalls, Elaine Tuomanen, Roman Dziarski, and Douglas Golenbock
