CORRECTIONS

In *Results*, there are errors in the sequence entries in three tables. In Table I, for “Clone 8,” and in Tables III and IV, for “Peptide 8,” the amino acid W at position 4 should be replaced by D. The correct sequences are shown below.

**LCVDQDWGRHQCF** and **Ac-LCVDQDWGRHQCF**

Also in *Results*, the Figure 4 legend is incorrect; Ac-I1L/H9W/T13G should be replaced by Ac-compstatin, as shown below.

Portion of the 2D TOCSY spectrum of Ac-compstatin that shows the identification of all 13 residues.

The authors wish to correct the author order, as shown below.

Chandramohan Natarajan, Gladson Muthian, Yaavov Barak, Ronald M. Evans, and John J Bright.

The title was published incorrectly. The correct title is shown below.

B7 Expression of T Cells Down-Regulates Immune Responses through CTLA-4 Ligation via T-T Interactions

In *Materials and Methods*, under the heading *Flow cytometry*, in the second sentence, the reference to mouse and anti-mouse Ab is incorrect. The correct sentence is shown below.

Membrane-bound BAFF (mBAFF) was labeled with a rat Buffy-2 Ab to BAFF (Alexis Biochemicals) and a PE-conjugated anti-rat Ab (BD PharMingen).

In *Results*, the “CD77 sorting” label in Figure 1A is incorrect. The correct label is “CD38 sorting,” as detailed in the legend and in the first paragraph of *Materials and Methods*.
