QUALIFICATIONS AND APPLICATION FOR REGULAR MEMBERSHIP
2006 MEMBERSHIP YEAR

The American Association of Immunologists (AAI) is a professional organization whose members have a strong interest in, and have made substantial contributions to, the science of immunology. AAI is a member of the Federation of American Societies for Experimental Biology (FASEB) and is responsible for the publication of The Journal of Immunology. To be eligible for election to membership in the AAI, a candidate must meet one of the following criteria:

1. Possess a Ph.D., (or equivalent graduate degree, e.g., D.Sc.) in immunology or related disciplines, or an M.D. (or equivalent medical degree, e.g., D.D.S.) and be the first author of one significant original publication on an immunological topic in a reputable, English language refereed journal. Manuscripts "in press" are acceptable when accompanied by a letter from the publisher or Editor-In-Chief of the journal affirming its acceptance and imminent publication. Abstracts and unpublished papers will not be considered in evaluating whether a candidate meets the publications requirement for membership."

2. Be an established scientist with substantial achievement in a related discipline and have at least one collaborative paper on an immunological topic in a reputable, English language refereed journal.

*These requirements may be waived under exceptional circumstances if a candidate shows evidence of other appropriate training and/or substantial research accomplishment.

THIS APPLICATION PACKAGE MUST INCLUDE:
1. Three copies of your bibliography and curriculum vitae.
2. Three copies of a first author publication that meets the described criteria.
3. The name and signature of an active AAI member as your reference.
