CORRECTIONS

The institution for Kathrin S. Michelsen is indicated incorrectly. The corrected author and affiliation lines are shown below.

Nicolas W. J. Schröder,2,3* Isabel Diterich,3† Antje Zinke,* Jana Eckert,* Christian Draing,† Volker v. Baehr,‡ Dieter Hassler,§ Susanne Priem,¶ Katrin Hahn,¶ Kathrin S. Michelsen,# Thomas Hartung,‖ Gerd R. Burmester,‖ Ulf B. Göbel,* Corinna Hermann,‖ and Ralf R. Schumann5*

*Institut für Mikrobiologie und Hygiene, Charité University Medical Center, Berlin, Germany; †Biochemical Pharmacology, Department of Biology, University of Konstanz, Konstanz, Germany; ‡Institut für Medizinische Diagnostik, Berlin, Germany; §Private Medical Office, Kraichtal, Germany; ‖Department of Medicine III, Rheumatology and Clinical Immunology, Charité University Medical Center, Berlin, Germany; and #Pediatric Infectious Diseases, Cedars-Sinai Medical Center, Los Angeles, CA 90048

The first author’s surname in the affiliation line and initials in the respective footnote are incorrect. The correct name is Basma Salah El Homasany. The corrected footnote is shown below.

2B.S.E.H., Y.V., A.L., and D.K. contributed equally to the work.

In Results, Figure 5 was inadvertently duplicated as Figure 6. The corrected Figure 6 is shown below.
There are errors in Table II. The title for “Real-Time PCR” was inadvertently omitted above columns 7–9. There should be a break for the line under the title between Microarray (columns 2–6) and Real-Time PCR (columns 7–9). For the names of tight junction proteins Claudin-1, Claudin-7, and ZO-2 (column 1), as well as for αE-DC and CD11b-DC in the column headings, there should be hyphens before the numbers instead of underlines. The corrected table is shown below.

In Discussion, the word “fugetaxin” was misspelled in the first and third sentences in the final paragraph. The error has been corrected in the online version, which now differs from the print version as originally published.

There were errors in the title. The corrected title is shown below. The error has been corrected in the online version, which now differs from the print version as originally published.

Differential Role of Programmed Death-Ligand 1 and Programmed Death-Ligand 2 in Regulating the Susceptibility and Chronic Progression of Experimental Autoimmune Encephalomyelitis
