The American Association of Immunologists

Working for You!
AAI Membership Benefits

The mission of The American Association of Immunologists (AAI) is to advance the knowledge of immunology and related disciplines, foster interchange of ideas and information among scientists, and promote understanding of the field of immunology. AAI offers regular, trainee, and emeritus membership.

REGULAR MEMBERSHIP BENEFITS

• Membership in the largest and most prestigious professional association of immunologists in the world. Over 6,500 AAI member-scientists are working together to advance immunology research as well as on issues that affect their lives.

• A subscription to The Journal of Immunology: includes print copy and on-line access to every issue from the oldest in the archive to the most recent.

• NO submission fee for manuscripts sent to The Journal of Immunology.

• REDUCED color figure charges! Significant savings for members!

• Eligibility to serve on the Editorial Board of The Journal of Immunology.

• Reduced subscription rates to 16 optional journals.

• Membership in the Federation of American Societies for Experimental Biology (FASEB) and in the International Union of Immunological Societies (IUIS).

• Personal copies of the AAI Newsletter and on-line access to the FASEB Directory of Members.

• Eligibility for AAI Awards and service on AAI committees.

• Voting privileges in AAI elections and actions.

• REDUCED registration rates at AAI meetings and courses.

• Effective representation! Your views and concerns on research funding and science policy are brought to Congress and federal agencies by professional staff and member-driven committees.

To receive a membership application and obtain additional information, please contact:

QUALIFICATIONS AND APPLICATION FOR REGULAR MEMBERSHIP

2007 MEMBERSHIP YEAR

The American Association of Immunologists (AAI) is a professional organization whose members have a strong interest in, and have made substantial contributions to, the science of immunology. AAI is a member of the Federation of American Societies for Experimental Biology (FASEB) and is responsible for the publication of The Journal of Immunology. To be eligible for election to membership in the AAI, a candidate must meet one of the following criteria:

1. Possess a Ph.D., (or equivalent graduate degree, e.g., D.Sc.) in immunology or related disciplines, or an M.D. (or equivalent medical degree, e.g., D.D.S.) and be the first author of one significant original publication on an immunological topic in a reputable, English language refereed journal. Manuscripts "in press" are acceptable when accompanied by a letter from the publisher or Editor-In-Chief of the journal affirming its acceptance and imminent publication. Abstracts and unpublished papers will not be considered in evaluating whether a candidate meets the publications requirement for membership. *

2. Be an established scientist with substantial achievement in a related discipline and have at least one collaborative paper on an immunological topic in a reputable, English language refereed journal.

* These requirements may be waived under exceptional circumstances if a candidate shows evidence of other appropriate training and/or substantial research accomplishment.

THIS APPLICATION PACKAGE MUST INCLUDE:

1. A current copy of your curriculum vitae including bibliography.
2. A copy of the title page of a first author publication that meets the criteria.
3. The name and signature of an active AAI member as your reference.

NAME: _____________________________________________________________________________________________
DEGREE (YEAR) & INSTITUTION: _____________________________________________________________________
PUBLICATION: ______________________________________________________________________________________
CURRENT TITLE/ POSITION: __________________________________________________________________________
ADDRESS: __________________________________________________________________________________________
STREET: ____________________________________________________________________________________________
CITY: ____________________________________ STATE: ________ ZIP CODE: __________________ COUNTRY: __________
E-MAIL ADDRESS: ___________________________________________________________________________________
PHONE NO: _______________________________ FAX NO: __________________
RESEARCH SPECIALTY: ________________________________________________________________________________

REFERENCE:

NAME OF AAI MEMBER (please print clearly): __________________________________________________________
SIGNATURE OF AAI MEMBER: _______________________________________________________________________

Applications should be mailed to the AAI office and marked to the attention of the AAI Membership Department. Please DO NOT send payment with your application. You will be invoiced upon approval.

Application Review Deadlines:

Applications are to be received in the AAI office by the first day of each month.

2007 Dues Rates: January 1 - December 31: U.S. - $260.00 Canadian - $367.50 International - $360.00
2007 TRAINEE MEMBERSHIP APPLICATION FORM

Name: ___________________________ E-mail Address: ___________________________

Address: ______________________________________________________________________________________________________________________

City: _______________________________ State: _________________ Zip Code: _________________

Phone Number: __________________ Fax Number: _______________________________________

Qualified applicants must complete the information below and return this form with the required payment. Trainee members will receive a subscription to The Journal of Immunology and the AAI Newsletter. Trainee members will also have the privilege of attending and participating (without vote) in the AAI Annual Business Meeting. In addition, they will receive all AAI announcements and correspondence. Checks are to be made payable to AAI. All checks must be in U.S. dollars drawn on a U.S. bank and International money orders are accepted.

Individuals may remain Trainee members for a maximum of eight (8) years. Certification must be renewed annually.

SECTION 1 -- APPLICANT INFORMATION

☐ I am a Pre-doctoral Trainee -- I expect to receive the ___________ (advanced degree) in ___________(mo/yr)

☐ I am a Post-doctoral Trainee -- I hold the following advanced degree(s) (please indicate all advanced degrees held and the month and year conferred): _______________________________________________________

SECTION 2 -- CERTIFICATION OF APPLICANT'S TRAINEE STATUS
(to be completed by current AAI member)

As a current member of the AAI, I hereby certify that the applicant identified above is either a regularly matriculated pre-doctoral student or a post-doctoral trainee and, as such, is eligible to remain a Trainee Member of the AAI.

Current AAI Member's Name (First, MI, Last): ______________________________________________________________

Signature: _____________________________________________________________________________________________

Title (Dean, Dept. Chair, or Professor in Charge): ____________________________________________________________

AAI Member Number: __________________ Date: ______________________________________________________________

SECTION 3 -- APPLICANT PLEDGE AND PAYMENT

I ____________________________________________, pledge that the copies of The Journal of Immunology purchased by me at the special subscription rate to Trainee Members are for my personal use. They will not be placed in a library for general use, sold, or replace a subscription currently purchased by an institution. I also agree that my on-line access to The JI will not be shared with others.

JANUARY 1 - DECEMBER 31, 2007

Working for You!
AAI Membership Benefits

The mission of The American Association of Immunologists (AAI) is to advance the knowledge of immunology and related disciplines, foster interchange of ideas and information among scientists, and promote understanding of the field of immunology. AAI offers regular, trainee, and emeritus membership.

TRAINEE MEMBERSHIP BENEFITS

- Membership in the largest and most prestigious professional association of immunologists in the world. Over 6,500 scientists conducting immunology research work together on common interests and issues

- A subscription to The Journal of Immunology, which includes a print copy as well as on-line access and free access to a searchable, full text archive back to 1980

- A subscription to the AAI Newsletter

- Reduced registration rates at AAI and FASEB society meetings and courses

- Eligibility for AAI Awards

- Effective representation. Your views, issues and concerns on research funding and science policy are brought to Congress and responsible federal agencies by professional staff and member-driven committees

To receive a membership application or to obtain additional information, please contact The AAI Membership Department at:

9630 Rockville Pike
Bethesda, MD 20814-3994
Phone: 301-634-7195  FAX: 301-214-8833
E-mail: members@jain.faseb.org

Membership application forms may also be downloaded from the AAI Homepage at:

http://www.aaionline.org
Special Discounts for AAI Member Authors

Waiver of Manuscript Submission Fee for AAI Members
Corresponding authors who are regular, emeritus, or honorary AAI members in good standing on the date of manuscript submission to *The Journal of Immunology* (*The JI*) receive a waiver of the regular $50 submission fee.

Reduced Charges for Color Figures
Corresponding authors who are regular, emeritus, or honorary AAI members in good standing on the date their manuscript is accepted for publication in *The JI* are entitled to reduced charges for submitted color figures. AAI members receive a $200 reduction for the first color figure on each page.

For complete details on AAI member privileges and benefits, eligibility requirements, and application forms, please visit [www.aai.org/membership](http://www.aai.org/membership) or contact the AAI membership office at 301-634-7195 or by e-mail to members@aai.org.

For complete details on manuscript submission to *The JI*, please visit [www.jimmunol.org](http://www.jimmunol.org) or contact *The JI* office at 301-634-7197 or by e-mail to infoji@aai.org.
Assistant Professor in Liver and Transplantation Pathology

The Division of Liver and Transplantation Pathology at the University of Pittsburgh Medical Center is offering a tenure or non-tenure stream Assistant Professor position. The applicant must be Board Certified in Anatomic Pathology, preferably with fellowship training in surgical pathology or a subspecialty discipline with strong diagnostic skills. Candidates with an academic focus, promising research potential, and the goal to obtain extramural funding in transplantation or immunology/immunopathology research are highly desirable.

Please send (1) curriculum vitae; (2) a letter of interest describing research and academic interests, as well as a brief statement of personal goals; and (3) five references (including name, address and phone number to:

A. Jake Demetris, MD
Director, Division of Transplantation Pathology
UPMC Montefiore, Room E741
3459 Fifth Avenue
Pittsburgh, PA 15213
Or Email letter and CV to: askrel@upmc.edu

The University of Pittsburgh is an Affirmative Action/Equal Opportunity Employer

**FACULTY POSITIONS IN CELLULAR AND MOLECULAR IMMUNOLOGY**

The Immunology Program at the IL Lee Moffitt Cancer Center & Research Institute and the University of South Florida’s College of Medicine, Department of Interdisciplinary Oncology, are seeking highly qualified (PhD or MD) applicants for tenure track positions in Cellular and Molecular Immunology at Assistant, Associate and Full Professor levels. While applicants in all areas of Cellular and Molecular Immunology may apply, we are especially interested in individuals with molecular approaches and signal transduction mechanisms related to studies of T cells, chemokines, and the tumor microenvironment. Successful applicants will be expected to develop an outstanding research program in their area of interest.

Assistant Professor must have at least four years of postdoctoral experience in tumor immunology and high quality publications in peer-reviewed journals. The Associate/Full Professor must have a proven track record of independent research and demonstrated sustained extramural funding. In addition, the Associate Professor rank requires at least five years of experience with continuing and productive service as an Assistant Professor. The Professor rank requires documentation of national recognition, leadership ability and at least five years of experience with continuing and productive service as an Associate Professor. Salary is negotiable.

The Moffitt Cancer Center and Research Institute provides an exceptional environment for basic and translational research in Immunology, Molecular Oncology and Drug Discoveries. Extensive state-of-the-art core facilities are available for flow cytometry, gene profiling, proteomics, mouse model development, high throughput screening/chemistry, and drug discovery. Successful applicants will be provided generous laboratory and office space in the new Vincent A. Stabile Research Building.

Please reference position 11851, Send curriculum vitae and a brief statement of major academic interests in one single pdf document to The Immunology Search Committee at koransky@moffitt.usf.edu. Application review begins December 1, 2006. Applications will be accepted and continuously reviewed until the position is filled.

USF Health is committed to increasing its diversity and will give individual consideration to qualified applicants for this position with experience in ethnically diverse settings, who possess varied language skills, or who have a record of research that supports/benefits diverse communities or teaching a diverse student population.

**FIRST INTERNATIONAL SYMPOSIUM**

**on Thymosins in Health and Disease**

**March 31-4, 2007**

**The George Washington University, Washington, DC**

**Chairs:**

Allan L. Goldstein and Enrico Garaci

**Confirmed Speakers:**

**Topics include:**

- Thymosin: structure and design, isoforms, multifunctionality
- Wound healing, inflammation, signaling and proteomics
- Neuroplasticity, repair, and regeneration
- Immunopharmacology, pharmacogenomics, and combination therapies
- Molecular markers and diagnostics for cancer and infectious diseases
- Cardiovascular protection, stem cell differentiation and angiogenesis
- Clinical applications of Thymosin α₁ and Thymosin β₁

You are invited to submit abstracts for oral and poster presentations until February 15, 2007.

Visit the conference web site for more information and registration:

THE AMERICAN ASSOCIATION OF IMMUNOLOGISTS

FUTURE ANNUAL MEETINGS

IMMUNOLOGY 2007™*
May 18-22
Miami Beach, Florida

EXPERIMENTAL BIOLOGY 2008
Co-Sponsored by AAI and APS, ASPET, ASIP, ASN, and AAA
April 5-9
San Diego, California

IMMUNOLOGY 2009™*
May 8-12
Seattle, Washington

IMMUNOLOGY 2010™*
May 7-11
Baltimore, Maryland

*Represents an AAI “stand-alone” (all immunology) meeting
2007

May 18 - 22, 2007
Miami Beach Convention Center
Miami Beach, Florida

Important Deadlines
- Abstract Submission – January 10, 2007
- Early Registration – March 14, 2007
- Hotel Reservations – April 6, 2007
- Awards (see website)
