Assistant Director, Laboratory of Immunology
Department of Pathology
University of Utah School of Medicine
at
ARUP Laboratories, Inc.
Salt Lake City, Utah

The Department of Pathology at the University of Utah School of Medicine and ARUP Laboratories, Inc, is seeking an Assistant Director of the Laboratory of Immunology at ARUP. The successful candidate will have an M.D. and/or Ph.D. degree. Completion of a fellowship in Clinical Immunology or eligibility for additional certification in medical laboratory immunology, or clinical pathology, or experience in a clinical immunology laboratory is suggested. The successful candidate must also have a record of scholarly activity and either have or anticipate applying for commercial or federal funds for research in immunology or host resistance. This individual will be expected to provide technical direction, clinical consultation, administrative input, teaching activities, research, and academic leadership. Faculty rank and salary will be commensurate with rank and experience. The University of Utah is an Equal Opportunity Employer and welcomes applications from minorities and women and provides reasonable accommodations to the known disabilities of applicants and employees.

Send a letter of intent and current curriculum vitae with bibliography to:

Ophthalmology—Assistant or Associate Professor—Basic Science Research

The Department of Ophthalmology, University of Alabama at Birmingham, is recruiting a full-time tenure-earning faculty member in Basic Vision Science Research at the Assistant or Associate Professor level. Applicants with a Ph.D., M.D., M.D./Ph.D., or equivalent degrees should have a record of productivity that is commensurate with current rank and a high probability of success in garnering extramural support. All areas of basic research with a direct impact on clinically relevant diseases of the eye will be considered. Candidates are sought who would complement the current faculty. Research interests include: retinal development, macular degeneration, diabetic retinopathy, immunology, and glaucoma. Responsibilities will include active participation in research and teaching. Direct inquiries and C.V. to Judith A. Kapp, Ph.D., Vice Chair for Basic Research, Department of Ophthalmology, University of Alabama at Birmingham, SW W287, 1530 3rd Avenue South, Birmingham, AL 35294 or by email to jkapp@uab.edu. UAB is an affirmative action/equal opportunity employer.

Need to Recruit?

Recruiting through The Journal of Immunology is the most economical way to reach the immunology community without wasting money. Why pay more to reach geologists and physicists when you are seeking immunologists?

A quarter-page advertisement costs $795.00.

QUALIFICATIONS AND APPLICATION FOR REGULAR MEMBERSHIP
2007 MEMBERSHIP YEAR

The American Association of Immunologists (AAI) is a professional organization whose members have a strong interest in, and have made substantial contributions to, the science of immunology. AAI is a member of the Federation of American Societies for Experimental Biology (FASEB) and is responsible for the publication of The Journal of Immunology. To be eligible for election to membership in the AAI, a candidate must meet one of the following criteria:

1. Possess a Ph.D., (or equivalent graduate degree, e.g., D.Sc.) in immunology or related disciplines, or an M.D. (or equivalent medical degree, e.g., D.D.S.) and be the first author of one significant original publication on an immunological topic in a reputable, English language refereed journal. Manuscripts "in press" are acceptable when accompanied by a letter from the publisher or Editor-In-Chief of the journal affirming its acceptance and imminent publication. Abstracts and unpublished papers will not be considered in evaluating whether a candidate meets the publications requirement for membership. *

2. Be an established scientist with substantial achievement in a related discipline and have at least one collaborative paper on an immunological topic in a reputable, English language refereed journal.

*These requirements may be waived under exceptional circumstances if a candidate shows evidence of other appropriate training and/or substantial research accomplishment.

THIS APPLICATION PACKAGE MUST INCLUDE:

1. A current copy of your curriculum vitae including bibliography.
2. A copy of the title page of a first author publication that meets the criteria.
3. The name and signature of an active AAI member as your reference.

AAI Membership Benefits

The mission of The American Association of Immunologists (AAI) is to advance the knowledge of immunology and related disciplines, foster the exchange of ideas and information among scientists, and promote understanding of the field of immunology. AAI offers regular, trainee, and emeritus membership.

TRAINEE MEMBERSHIP BENEFITS

- Membership in the largest and most prestigious professional association of immunologists in the world. Over 6,500 scientists conducting immunology research work together on common interests and issues
- A subscription to The Journal of Immunology, which includes a print copy as well as online access and free access to a searchable, full text archive back to 1980
- A subscription to the AAI Newsletter
- Reduced registration rates at AAI and FASEB society meetings and courses
- Eligibility for AAI Awards
- Effective representation. Your views, issues and concerns on research funding and science policy are brought to Congress and responsible federal agencies by professional staff and member-driven committees

To receive a membership application or to obtain additional information, please contact The AAI Membership Department at:

9650 Rockville Pike
Bethesda, MD 20814-3994
Phone: 301-634-7195  FAX: 301-214-8833
