EDITOR-IN-CHIEF

The Journal of Immunology

The American Association of Immunologists, Inc. (AAI) seeks applicants for the position of Editor-in-Chief (EIC) for its official publication, The Journal of Immunology (The JI).

The primary responsibility of the EIC is to maintain the role of The JI as a definitive resource for immunology research. He or she will do so by ensuring the scientific excellence of the content and integrity of the peer-review process. To that end, the EIC will recommend an editorial board for appointment by the AAI Publications Committee and approval by the AAI Council; be responsible for the oversight of editorial conduct and the peer-review process; address concerns of authors; and make final decisions on manuscript publication. The EIC will address allegations of author misconduct and act in accordance with The JI Editorial Policies and Practices and AAI policy.

The EIC is responsible to the AAI Publications Committee and, ultimately, to the AAI Council, and is an ex officio member of both groups.

Applicants are expected to have an accomplished scientific career with a significant publication record in addition to appropriate editorial experience. Candidates should possess strong leadership qualities, intellectual vision and outstanding interpersonal skills. Applicants must be members of AAI in good standing and are required to reside within the continental U.S.

The term of service for this position is from July 1, 2013, to June 30, 2018. The appointed EIC is expected to overlap with the incumbent EIC starting January 1, 2013, to ensure a smooth transition of responsibilities. This position is considered to be part-time. A stipend and associated expenses are provided.

Interested individuals are invited to submit an application package that includes a curriculum vitae; a succinct letter of interest and qualifications; a statement on the possible conceptual direction of The JI in its pursuit of scientific excellence; and innovations that may be considered.

Applications will be accepted through May 31, 2012. Please mail or e-mail them to:

EOE
Abstract Submissions

AAI invites the submission of abstracts that report new scientific research developments in all areas of immunology. All abstracts selected will be programmed into Poster Sessions—the most interactive part of the meeting. Over 400 abstracts will also be selected to be presented orally in Block Symposia.

Abstract Submission Site Closes: January 9, 2012

Abstract Submission Fees:
- AAI Member—$75
- Nonmember—$110

Visit www.IMMUNOLOGY2012.org/abstracts to view abstract topics and details.

Attention AAI Trainee Members!

If your abstract is selected for oral presentation, you automatically receive* an AAI Trainee Abstract Award of $500.

* Trainee Member must be in good standing to receive award (paid through 12/31/2012).

As a new investigator, I get the chance to present my research and keep abreast of all the current research in immunology.

—Asst. Professor

CALL FOR 2012 AAI AWARD APPLICATIONS
Deadline: January 9, 2012

Applications are invited for the following AAI Travel Awards and Grants, which annually foster the promise and professional development of early- and mid-career investigators, including underrepresented minority scientists and trainees.

**Pfizer-Showell Travel Award**
This award recognizes the professional promise of an early career investigator (assistant professor or equivalent) by assisting the award recipient with travel to the AAI annual meeting to present his or her research. Selection is based on career progress and submission of an outstanding abstract selected for oral presentation in a block symposium at the meeting. The award recipient must attend the AAI business meeting and awards presentation held during the annual meeting, where he/she will be recognized and presented with his/her award. Support of up to $1,500 will be provided for meeting registration and travel. This award is supported through an endowment from Henry J. Showell and Pfizer, Inc.

**AAI-Life Technologies Trainee Achievement Award**
This award recognizes up to 6 promising trainees in the field of immunology. Selection is based on career promise and presentation of an outstanding first-author abstract selected for oral presentation in a block symposium. Awardees will receive a $1,000 cash prize and reimbursement for meeting expenses. This award is supported through a generous grant from Life Technologies Corporation.

**AAI Early Career Faculty Travel Grant**
AAI is pleased to offer travel grants of up to $1,250 to young investigators to assist them in attending the AAI annual meeting. Applicants must hold the position of Assistant Professor or equivalent, and be a first-author or co-author on an abstract submitted to the AAI annual meeting. Recipients will be reimbursed for registration and travel expenses.

**Chambers-eBioscience Memorial Award**
Established to honor the memory of AAI member Dr. Cynthia Chambers, this award is intended to advance the career of a junior scientist who attends the AAI annual meeting and presents an outstanding abstract specifically in the area of cancer biology. The award recipient will receive a $1,000 cash award and a certificate during an awards presentation program at the AAI annual meeting. This award is generously supported through a grant from eBioscience, Inc.

**NEW—Lustgarten-eBioscience Memorial Award**
Established to honor the memory of AAI member Dr. Joseph Lustgarten, this award is intended to advance the career of a mid-career scientist who attends the AAI annual meeting and presents an outstanding abstract specifically in the area of immune regulation. The award recipient will be recognized and presented with the award at the annual AAI Business Meeting and Awards Presentation at IMMUNOLOGY 2012™. Support of up to $1,250 will be provided for meeting registration and travel. This award is generously supported through a grant from eBioscience, Inc.

**AAI Minority Scientist Travel Award**
Supported through the FASEB Minority Access to Research Careers (MAR C) program and a grant from the National Institute of General Medical Sciences (NIGMS), NIH, this award provides travel support to eligible AAI members to attend the AAI annual meeting. Two types of awards are available (see application instructions, linked below), providing support of up to $1,650 for registration and meeting-related travel expenses. Award recipients are invited to attend the annual AAI business meeting and awards presentation, where they will be recognized.

**AAI Trainee Abstract Award**
This award provides $500 to AAI Trainee Members (students and postdoctoral fellows) whose first-author abstracts submitted to the AAI annual meeting are selected for presentation in block symposia. Attendance at the meeting is mandatory and the first author must make the abstract presentation.

**AAI Laboratory Travel Grant**
AAI is pleased to offer travel grants to assist mid-career investigators in attending the AAI annual meeting. Applicants must hold an appointment of Associate Professor or equivalent, have limited support for travel (total funding not to exceed $300,000 per year), and be a first or last author on one or more abstracts submitted to the annual meeting. Each grant will provide two travel awards of up to $1,250 each: one to the PI or laboratory director and another to a member of his or her lab, chosen by the PI or laboratory director. Recipients will be reimbursed for registration and travel expenses.
