EDITOR-IN-CHIEF

The Journal of Immunology

The American Association of Immunologists, Inc. (AAI) seeks applicants for the position of Editor-in-Chief (EIC) for its official publication, *The Journal of Immunology (The JI)*.

The primary responsibility of the EIC is to maintain the role of *The JI* as a definitive resource for immunology research. He or she will do so by ensuring the scientific excellence of the content and integrity of the peer-review process. To that end, the EIC will recommend an editorial board for appointment by the AAI Publications Committee and approval by the AAI Council; be responsible for the oversight of editorial conduct and the peer-review process; address concerns of authors; and make final decisions on manuscript publication. The EIC will address allegations of author misconduct and act in accordance with *The JI* Editorial Policies and Practices and AAI policy.

The EIC is responsible to the AAI Publications Committee and, ultimately, to the AAI Council, and is an *ex officio* member of both groups.

Applicants are expected to have an accomplished scientific career with a significant publication record in addition to appropriate editorial experience. Candidates should possess strong leadership qualities, intellectual vision and outstanding interpersonal skills. Applicants must be members of AAI in good standing and are required to reside within the continental U.S.

The term of service for this position is from July 1, 2013, to June 30, 2018. The appointed EIC is expected to overlap with the incumbent EIC starting January 1, 2013, to ensure a smooth transition of responsibilities. This position is considered to be part-time. A stipend and associated expenses are provided.

Interested individuals are invited to submit an application package that includes a *curriculum vitae*; a succinct letter of interest and qualifications; a statement on the possible conceptual direction of *The JI* in its pursuit of scientific excellence; and innovations that may be considered.

Applications will be accepted through May 31, 2012. Please mail or e-mail them to:

Award Recipients for 2012

The American Association of Immunologists proudly announces the 2012 recipients of AAI Awards for outstanding research and career achievements.

The 2012 AAI Award winners will be recognized at the 99th AAI Annual Meeting, IMMUNOLOGY 2012™, May 4–8, Boston, Massachusetts.

AAI Lifetime Achievement Award
In recognition of a career of scientific achievement and contributions to AAI and fellow immunologists
Arthur Weiss, M.D., Ph.D.
HHMI, University of California, San Francisco

AAI Excellence in Mentoring Award
In recognition of exemplary career contributions to a future generation of scientists
Max D. Cooper, M.D.
Emory University School of Medicine

AAI Award for Human Immunology Research
For significant, sustained achievement in immunology research pertinent to human disease pathogenesis, prevention, and therapy
John P. Atkinson, M.D.
Washington University School of Medicine

AAI-Life Technologies Meritorious Career Award
For outstanding research contributions to the field of immunology
Peter Cresswell, Ph.D., FRS
HHMI, Yale University School of Medicine

AAI-BD Biosciences Investigator Award
For outstanding, early-career research contributions to the field of immunology
Shane Crotty, Ph.D.
La Jolla Institute for Allergy and Immunology

AAI Distinguished Service Award
In recognition of distinguished scientific accomplishment and extraordinary service to AAI

William R. Green, Ph.D.
Dartmouth Medical School

Brian A. Cobb, Ph.D.
Case Western Reserve University School of Medicine

John R. Schreiber, M.D., M.P.H.
Tufts University School of Medicine
Jobs Board

A Free Recruiting Service for Registrants and Exhibitors
Post Online and Meet Onsite

AAI is offering career services to both job seekers and employers through a Jobs Board free to meeting registrants and exhibitors at www.immunology2012.org/Attendees/jobsboard.html.

Job Seekers! Whatever your career stage, use this career service at IMMUNOLOGY 2012™ to enhance your professional development!

- **Job Postings.** Review the online AAI Jobs Board to identify postings you wish to pursue. (View new Advance Postings through April 30. Watch for Onsite Postings, online or on paper in the AAI Booth!)
- **Direct Access to Recruiters.** Job postings will include recruiters' e-mail addresses so that you can contact them directly.

Employers! Advertise your position on a virtual Jobs Board located on the IMMUNOLOGY 2012™ website. By including a contact email, you will receive inquiries directly.

- **Advance Postings.** Postings will be accepted as of February 1, 2012, and will remain online until the end of the meeting. To post job listings in advance of the meeting, contact meetings@aai.org. Advance postings must be submitted to AAI by April 30, 2012.
- **Onsite Postings.** After April 30, 2012, employers wishing to advertise a job on the IMMUNOLOGY 2012™ website may still do so by visiting the AAI Office in the Hynes Center, Room 300, between 9:00 AM and 5:00 PM.

  You may also post a paper announcement on the bulletin board in the AAI Booth in the Exhibit Hall.

Save Thousands of Dollars in Recruiting Expenses. Take advantage of this complimentary hiring opportunity at IMMUNOLOGY 2012™. To register for the meeting, visit www.immunology2012.org/Attendees/registration.html.
AAI Courses in Immunology

2012 Introductory Course in Immunology
July 14–19, 2012
The University of Pennsylvania, Philadelphia, Pennsylvania
Director: Christopher A. Hunter, Ph.D., University of Pennsylvania School of Veterinary Medicine
Co-Director: Terri M. Laufer, M.D., University of Pennsylvania School of Medicine

This intensive two-part course, taught by world-renowned immunologists, provides a comprehensive overview of the basics of immunology. This course is for students new to the discipline or those seeking more information to complement general biology or science training. Part I (July 14 – 16) is a detailed introduction to the basic principles of immunology and is suitable for students with a general biology background. Part II (July 17 – 19) is a clinically oriented lecture series. Parts I and II may be taken independently at the discretion of the student.

2012 Advanced Course in Immunology
July 29–August 3, 2012
Seaport World Trade Center, Boston, Massachusetts
Course Director: Leslie J. Berg, Ph.D., University of Massachusetts Medical School

This intensive annual course is designed for serious students of immunology. Leading experts will present recent advances in understanding the biology of the immune system and its role in health and disease. This course is intended for advanced trainees and scientists who wish to expand or update their understanding of the field. This is not an introductory course, and attendees will need to have a firm understanding of the principles of immunology.

For More Information visit:
www.aai.org/Education/Courses

Please direct inquiries to meetings@aai.org or 301-634-7178.

Financial support for underrepresented minority scientists is available through the FASEB MARC Program.
**INTRODUCING**

*The Journal of Immunology MOBILE*

http://m.jimmunol.org

Immunology’s most-cited* journal at your fingertips!

*The Journal of Immunology (The JI) now offers a streamlined web-browsing experience on iPhone, BlackBerry, and Android mobile devices that is optimized for easy navigation and viewing on small screens. The JI Mobile includes tables of contents, abstracts, articles in full text XHTML and PDF formats, figures, tables and supplemental data, and citation links.

For information on how to access The JI Mobile, please contact mgr.subs@aai.org.

* Journal Citation Reports®; 2010

---

**Next in The JI**

features articles published online ahead of print in THE JOURNAL OF IMMUNOLOGY at www.jimmunol.org.

Articles incorporate author proof corrections but may differ from the final published version. The date of online release is posted on each article and is the official date of publication. Print issues are released twice a month.

Use the Email Alerts feature at www.jimmunol.org to be notified when new content is published, either single articles ahead-of-print or full issues.
