Pfizer-Showell Travel Award

To recognize the professional promise of an early career investigator

*Support for this award is generously provided through an endowment from Henry J. Showell.*

**Joseph C. Sun, Ph.D.**
Assistant Professor
Memorial Sloan-Kettering Cancer Center

Chambers-eBioscience Memorial Award

To advance the career of an early-career scientist who attends the AAI annual meeting for the purpose of presenting immunology research specifically in the area of cancer biology

*Support for this award has been generously provided by eBioscience, Inc.*

**Rajesh K. Sharma, Ph.D.**
Instructor
University of Louisville

Lustgarten-eBioscience Memorial Award

To advance the career of a mid-career scientist who attends the AAI annual meeting and presents an outstanding abstract specifically in the area of immune regulation

*Support for this award has been generously provided by eBioscience, Inc.*

**Lihua Chen, Ph.D.**
Professor
Fourth Military Medical University

AAI-Life Technologies Trainee Achievement Awards

To recognize promising trainees in the field of immunology

*Support for these awards has been generously provided by Life Technologies Corporation.*

**Burton E. Barnett**
Graduate Student
University of Pennsylvania School of Medicine

**Rebecca Mathew, Ph.D.**
Postdoctoral Fellow
University of Chicago

**Jarish N. Cohen**
Graduate Student
University of Virginia

**Caroline J. Padro**
Graduate Student
Ohio State University

**Chao Ma**
Graduate Student
California Institute of Technology

**Jakob von Moltke**
Graduate Student
University of California, Berkeley
EDITOR-IN-CHIEF

The Journal of Immunology

The American Association of Immunologists, Inc. (AAI) seeks applicants for the position of Editor-in-Chief (EIC) for its official publication, The Journal of Immunology (The JI).

The primary responsibility of the EIC is to maintain the role of The JI as a definitive resource for immunology research. He or she will do so by ensuring the scientific excellence of the content and integrity of the peer-review process. To that end, the EIC will recommend an editorial board for appointment by the AAI Publications Committee and approval by the AAI Council; be responsible for the oversight of editorial conduct and the peer-review process; address concerns of authors; and make final decisions on manuscript publication. The EIC will address allegations of author misconduct and act in accordance with The JI Editorial Policies and Practices and AAI policy.

The EIC is responsible to the AAI Publications Committee and, ultimately, to the AAI Council, and is an ex officio member of both groups.

Applicants are expected to have an accomplished scientific career with a significant publication record in addition to appropriate editorial experience. Candidates should possess strong leadership qualities, intellectual vision and outstanding interpersonal skills. Applicants must be members of AAI in good standing and are required to reside within the continental U.S.

The term of service for this position is from July 1, 2013, to June 30, 2018. The appointed EIC is expected to overlap with the incumbent EIC starting January 1, 2013, to ensure a smooth transition of responsibilities. This position is considered to be part-time. A stipend and associated expenses are provided.

Interested individuals are invited to submit an application package that includes a curriculum vitae; a succinct letter of interest and qualifications; a statement on the possible conceptual direction of The JI in its pursuit of scientific excellence; and innovations that may be considered.

Applications will be accepted through May 31, 2012. Please mail or e-mail them to:
