

The Faculty of Science
of the University of
Fribourg/Switzerland
and the Department of
Medicine
invite applications for a tenured
position of an

Associate Professor in Immunology

Qualified applicants must have an outstanding track record of successful independent research in the field of immunology.

The successful candidate will develop an internationally recognized competitive research programme in immunology sustained by external funding. Teaching competences in immunology at university level is expected.

The closing date for applications is 20 April 2017.

NEED TO RECRUIT?

Recruiting through *The Journal of Immunology* is an economical way to reach your target audience—the immunology community. Why pay more to reach geologists and physicists when you are seeking immunologists?

A ¼ page ad in *The JI* costs \$865.
