CLINICAL IMMUNOLOGY

Phorbul Ester Tumor Promoter Modulation of Alleloantigen-Specific T Lymphocyte Responses
Separate Signals for Human B Cell Proliferation and Differentiation in Response to Staphylococcus aureus: Evidence for a Two-Signal Model of B Cell Activation
In-Positive Cells Generated by PWM-Stimulation within OKT4+ Subset Interact with OKT8+ Cells for Inducing Active Suppression on B Cell Differentiation in Vitro

THE JOURNAL OF IMMUNOLOGY (ISSN 0022-1767) is published monthly by The American Association of Immunologists, 428 E. Preston Street, Baltimore, MD 21202. Annual dues includes $55 for journal subscription. Second class postage paid at Baltimore, MD and at additional mailing offices. Postmaster send address changes to Form 3579 to Williams & Wilkins, 428 E. Preston St., Baltimore, MD 21202. Indexed by Current Contents and Index Medicus. Subscription rates $125 ($150 foreign); institutions $145 ($170 foreign); single copy $14 ($17 foreign). Copyright © 1982 by The American Association of Immunologists.
