## Letter of Retraction

We wish to retract the manuscript titled “Regulation of Class II Expression in Monocytic Cells after HIV-1 Infection” by Seth Rakoff-Nahoum, Houchu Chen, Thomas Kraus, Italas George, Erwin Oei, Max Tyorkin, Erez Salik, Prarthana Beuria, and Kirk Sperber, *The Journal of Immunology*, 2001, 167: 2331–2342. The manuscript contains an error in the presentation of data in one of the figures.

Fig. 10, which demonstrated intracellular trafficking of HLA-DR after the introduction of HIV proteins, contains three panels that are incorrect. We published the corrected figure as errata in the December 15, 2005 issue of *The JI*. However, given the error made in the figure, we wish to retract the manuscript.

We deeply regret this error and the need to take this action.
