Call for 2019 Award Nominations

Deadline: October 31, 2018

Nominations are invited for the following AAI Career Awards. These awards honor immunologists of extraordinary scientific achievement and promise.

AAI Members! Don’t miss the opportunity to nominate a worthy colleague for awards that are among the leading professional honors presented annually to immunologists!

AAI-BioLegend Herzenberg Award
Established to honor the memory of AAI member Leonard A. Herzenberg, Ph.D., this award recognizes an individual who has made exemplary research contributions to the field of B cell biology. The award recipient will receive a $5,000 cash award, meeting registration, and travel support to the AAI annual meeting. The recipient will present his or her research in an award lecture.

AAI Excellence in Mentoring Award
This award recognizes a senior scientist who has significantly influenced the professional development and careers of a new generation. AAI honors the award recipient’s contributions to the profession through outstanding mentoring. The award includes a plaque, meeting registration, and travel support to the AAI annual meeting. This award is presented at an Awards Presentation Program at the AAI annual meeting.

AAI-Steinman Award for Human Immunology Research
This award recognizes an individual who has made significant contributions to the understanding of immune processes underlying human disease pathogenesis, prevention, or therapy. The award recipient will receive a $5,000 cash award, meeting registration, and travel support to the AAI annual meeting. The recipient will present his or her research in an award lecture.

AAI-Thermo Fisher Meritorious Career Award
This award recognizes a mid-career scientist for outstanding research contributions to the field of immunology. The award recipient will receive a $10,000 cash award, meeting registration, and travel support to the AAI annual meeting for presentation of his or her research in an award lecture.

AAI-BD Biosciences Investigator Award
This award recognizes an early-career investigator who has made outstanding contributions to the field of immunology. The awardee will receive a $5,000 cash prize, meeting registration, and travel support to the AAI annual meeting for presentation of his or her research in an award lecture.

For complete AAI Career Award nomination details, as well as information on applying for AAI Travel Awards and Grants, visit www.AAI.org/Awards.

The 2019 AAI Awards will be presented in conjunction with

IMMUNOLOGY 2019™
May 9–13, 2019 • San Diego, California

AAI Programs to Benefit Your Lab’s Current or Future Research

AAI Careers in Immunology Fellowship

These fellowships provide AAI member PIs with one year of salary support for a graduate student or postdoctoral fellow in their labs. Member PIs in good standing with less than $250,000 (excluding PI’s salary) in annual direct costs are eligible to apply.

Selection is based on the potential of the trainee, merit of the project, quality of the training environment, and financial need.

Direct inquiries to fellowships@aai.org.

AAI Travel for Techniques Award Program

The Travel for Techniques Award is given to member PIs, reimbursing up to $1,500 in expenses for travel to learn a new technique. Member PIs in good standing with less than $250,000 (excluding PI’s salary) in annual direct costs are eligible to apply.

Direct inquiries to awards@aai.org.

If the application deadline falls on a weekend day or a federal holiday, applications will be due on the next regular business day.

The American Association of Immunologists provides robust support for scientists through an array of fellowships, career awards, and travel grants. For more information, visit www.aai.org/awards.
Trainees—Build Your CV at IMMUNOLOGY 2019™

Submit an abstract to IMMUNOLOGY 2019™ to become eligible for one of the many awards offered to trainee members. Over 450 travel awards are offered annually! Also take advantage of the numerous career development sessions.

TRAVEL AWARDS AND GRANTS (Available to AAI trainee members)

AAI-Thermo Fisher Trainee Achievement Awards
Recognizing as many as six promising AAI trainees for outstanding first-author abstracts selected for Block Symposia.

AAI Trainee Abstract Awards
Providing travel support to AAI trainees whose first-author abstracts are selected for presentation in Block Symposia.

Lefrançois-BioLegend Memorial Award
Advancing the career of an AAI trainee presenting an outstanding abstract specifically in the area of mucosal immunology.

AAI Trainee Poster Awards
Providing travel support to AAI trainees whose first author abstracts are selected for poster sessions only and found to be exceptional by the AAI Abstract Programming Chairs.

Join AAI and submit an abstract by January 14, 2019, to be eligible.

For complete AAI Travel Award and Grant application details, visit www.AAI.org/Awards.

For membership info, visit www.AAI.org/membership.

CAREER DEVELOPMENT SESSIONS (Available to all meeting attendees)

Careers in Biotech Panel and Networking; Careers and Networking Roundtables; How to Convert your CV into a Resume; Interviewing for a Job; Secrets for a Successful Postdoctoral Fellowship

For up-to-date information regarding career development activities offered at IMMUNOLOGY 2019™, visit www.IMMUNOLOGY2019.org/scientific-program.
2019 Introductory Course in Immunology
July 9–14, 2019
UCLA Luskin Conference Center, Los Angeles, California

This comprehensive two-part course, taught by leading experts, provides an in-depth overview of the basics of immunology. This course is for students new to the discipline or those seeking more information to complement general biology or science training. **Part I (July 9–11)** is a detailed introduction to the basic principles of immunology and is suitable for students with a general biology background. **Part II (July 12–14)** is a clinically oriented lecture series focusing on specialty areas. Parts I and II may be taken independently at the discretion of the student.

2019 Advanced Course in Immunology
July 28–August 2, 2019
Seaport World Trade Center, Boston, Massachusetts

Established in 1966, this intensive course is directed toward advanced trainees and scientists who wish to expand or update their understanding of the field. World-renowned immunologists will present recent advances in the biology of the immune system and address its role in health and disease. This is not an introductory course; attendees will need to have a firm understanding of the basic principles of immunology and laboratory techniques.
