# AAI AWARDS

*Recognizing Scientists of Distinction  
in Every Career Stage*

## THE AMERICAN ASSOCIATION OF IMMUNOLOGISTS

The American Association of Immunologists annually honors the research achievements and professional promise of over **1,000** scientists through fellowships, career awards, and travel grants.

**AAI Fellowships** provide Regular and Trainee members with career advancement opportunities through programs supporting trainees' salaries and public policy education.

**AAI Career Awards** honor individuals for outstanding research and career achievements. AAI members are eligible for these career awards, which are among the leading professional honors presented annually to immunologists.

**AAI Travel Awards and Grants** recognize the professional promise of early- and mid-career investigators by assisting them with travel to the AAI annual meeting and travel to learn techniques.

In its commitment to the cultivation of career opportunities for promising young scientists, AAI also provides support for over 100 travel awards at selected other immunology conferences.

**Let AAI Help You Advance Your Career!**

**To view AAI individual awards, visit [www.aai.org/Awards](http://www.aai.org/Awards).**

**To join AAI, visit [www.aai.org/Membership](http://www.aai.org/Membership).**
