You have the power.

Your membership in the American Association of Immunologists helps advance the field—and your career.

Being a part of AAI enables you to take an active role in helping to shape the future of immunology and attain your professional goals. You’ll stand with members representing immunological research concerns on Capitol Hill. Plus, you gain access to:

• The best and brightest minds today.
• The world’s largest annual all-immunology meeting.
• The Journal of Immunology, the pre-eminent peer-reviewed journal in the field.
• Many occasions and opportunities to present your research.
• Awards/fellowships/grants to support talented scientists in every career stage.

To learn more about how your professional life is enriched by membership in AAI, call 301.634.7195 or visit www.aai.org today.
The American Association of Immunologists thanks the following sponsors for their generous support of Virtual IMMUNOLOGY2021™.

Distinguished Fellows of AAI

Class of 2021

The American Association of Immunologists (AAI) proudly announces the 2021 class of Distinguished Fellows of AAI.

This program recognizes members for distinguished careers and outstanding scientific contributions as well as their service to AAI and the immunology community. It honors active, long-term members (25 or more years) who have demonstrated one or more of the following: excellence in research accomplishment in the field of immunology; exceptional leadership to the immunology community in academia, foundations, nonprofits, industry, or government at a national or international level; notable distinction as an educator. Election as a Distinguished Fellow occurs annually and is among the highest honors bestowed by AAI. Distinguished Fellows bear the designation “DFAAI.”
Future AAI Annual Meetings

Mark your calendar for the premier annual all-immunology event!

**2022**
IMMUNOLOGY2022™
May 6 – 10
Portland, Oregon

**2023**
IMMUNOLOGY2023™
May 11 – 15
Washington, DC

**2024**
IMMUNOLOGY2024™

**Fellowship Overview**
This fellowship program provides one year of salary support to postdoctoral fellows who have taken a leave of absence of one year or more due to military obligations, personal or family medical leave, or other related family circumstances. These reasons may include recovering from a serious illness, providing elder or child care, fulfilling a military obligation, or relocating due to a spousal career transition.

**Eligibility**
- An applicant must have a tentative written offer of appointment as a postdoctoral fellow.
- The fellowship must be in immunology or a related field.

Award consideration is based on a combination of the merit of the research project, quality of the training environment, research and career accomplishments, and career potential.

**APPLICATIONS OPEN**
JUNE 1

**APPLICATIONS CLOSE**
SEPTEMBER 1
