Call for 2023 Award Nominations

Deadline: October 12, 2022

Nominations are invited for the following AAI Career Awards. These awards honor immunologists of extraordinary scientific achievement and promise.

AAI Members! Don’t miss the opportunity to nominate a worthy colleague for awards that are among the leading professional honors presented annually to immunologists!

AAI-BioLegend Herzenberg Award
Established to honor the memory of AAI member Leonard A. Herzenberg, Ph.D., this award recognizes an individual who has made exemplary research contributions to the field of B cell biology. The award recipient will receive a $5,000 cash award, meeting registration, and travel support to the AAI annual meeting. The recipient will present their research in an award lecture.

AAI Excellence in Mentoring Award
This award recognizes a senior scientist who has significantly influenced the professional development and careers of a new generation. AAI honors the award recipient’s contributions to the profession through outstanding mentoring. The award includes a plaque, meeting registration, and travel support to the AAI annual meeting. This award is presented at an awards presentation program at the AAI annual meeting.

AAI-Steinman Award for Human Immunology Research
This award recognizes an individual who has made significant contributions to the understanding of immune processes underlying human disease pathogenesis, prevention, or therapy. The award recipient will receive a $5,000 cash award, meeting registration, and travel support to the AAI annual meeting. The recipient will present their research in an award lecture.

AAI-Thermo Fisher Meritorious Career Award
This award recognizes a mid-career scientist for outstanding research contributions to the field of immunology. The award recipient will receive a $10,000 cash award, meeting registration, and travel support to the AAI annual meeting for presentation of their research in an award lecture.

AAI-BD Biosciences Investigator Award
This award recognizes an early-career investigator who has made outstanding contributions to the field of immunology. The awardee will receive a $5,000 cash prize, meeting registration, and travel support to the AAI annual meeting for presentation of their research in an award lecture.

FASEB’s New Diversity Programs

FASEB is further advancing its diversity and inclusivity efforts by launching the FASEB Diversity, Equity, Accessibility, and Inclusion (DEAI) Program, the first-of-its-kind to provide a suite of diversity and inclusivity programs for working scientists throughout the life sciences.

To enhance diversity, equity, accessibility, and inclusion in the life sciences, FASEB’s new programs for working scientists throughout the life sciences include:

**FASEB CARES**
Career Advancement and Research Excellence Support provides financial support to alleviate financial burdens associated with caregiving, enabling FASEB society members to continue their scientific training, professional development, and career progression.

**FASEB FRIENDS**
Fostering Recruitment, Innovation, Engagement, and Diversity in Sciences is an ongoing outreach initiative that strives to increase diversity among FASEB and its member societies by promoting career advancement of the biological and biomedical research workforce from historically excluded communities.

**FASEB LEAD**
Leadership Engagement and Appreciation of Differences is a reverse mentoring program that pairs senior-level professionals with junior-level mentors to gain different perspectives of individual, group, and cultural views within the workplace and the scientific research communities.
